Proposed Purchase Date	Item	Total Cost (include formal estimate from provider of services)	Justification, include other sources of funding that have been attempted
March 31, 2017	Baby Swing	\$95.00 Est (see attached for sample)	Client has requested the purchase of a swing her new baby. She is currently parenting 5 children on her own. She feels that a swing would help keep the baby secure as well as soothed while she attends to her other children. This would be a big blessing for her. She also does not need us to purchase a pack n play or crib mattress and is hoping to be able to supplement the swing for one of those purchases that is not needed. Mom is hard working and has a job that just barely helps meet the family's needs.
Amt to be reimbursed		\$95.00
